

Cocopah Speedway Track Rental Application

Should a racer wish to rent Cocopah Speedway for a private test and tune session the following requirements will need to be met;

- Due to scheduling of fire safety crew and confirmation of insurance waiver, 30 days or more notice prior the date of rental will be required.
- Date will be denied if within 10 days prior to an upcoming event due to event track preparation.
- Should track prep be required for test & tune it will be billed accordingly.
- Should post session track prep be required to return track to prior status it will be billed accordingly.
- Test & tune sessions will be 4 hours in length & one 4 hour session will be allowed per day.
- Cocopah Speedway will schedule and provide adequate staff and fire safety crew.
- All safety gear will be required anytime on the track.
- Due to having minimal staff present and the grandstand area closed children will not be allowed at test & tune sessions.
- Payment in full will be required prior to rental day.
